To study...or not to study. That is the question.

IN MEMORIAM

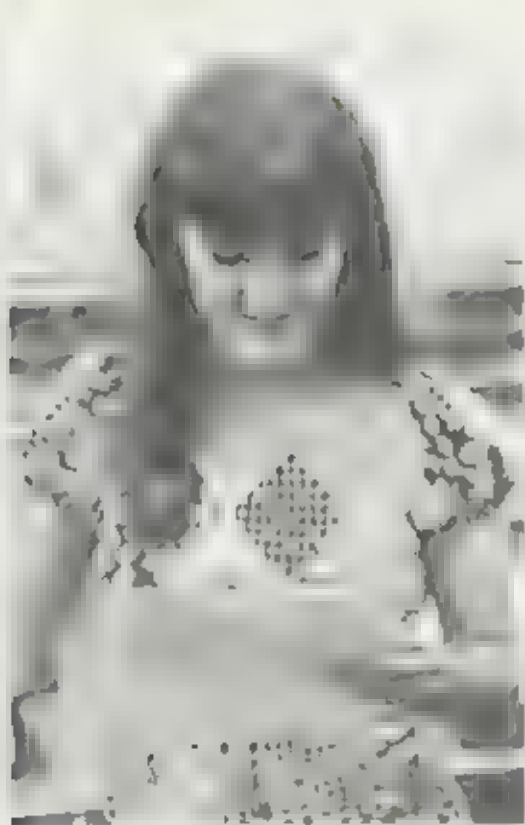

The death of Mrs. Alverna Uher has left an emptiness in the hearts of thousands who have known her either as a teacher or a friend over the past thirty-two years at Baltic School.

Devotion was the key word of Alverna Uher's life. She was devoted to her husband and son, her students and her friends. Her devotion has provided her students with the best possible education.

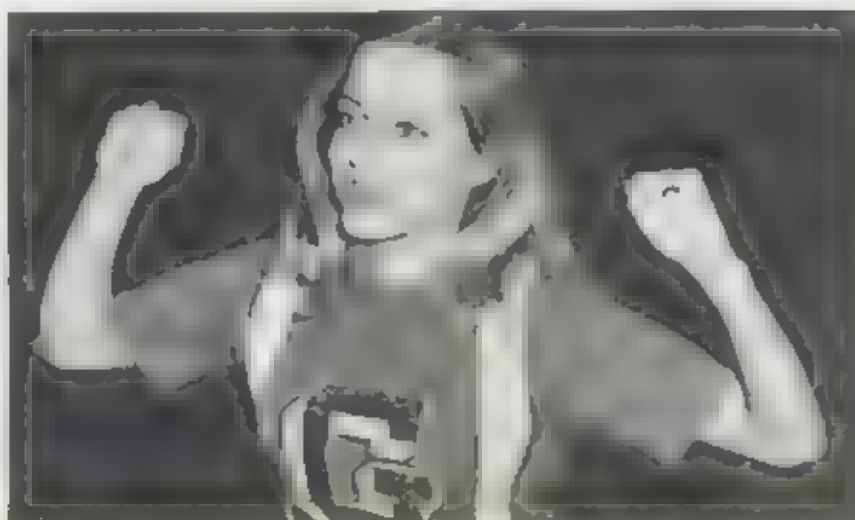

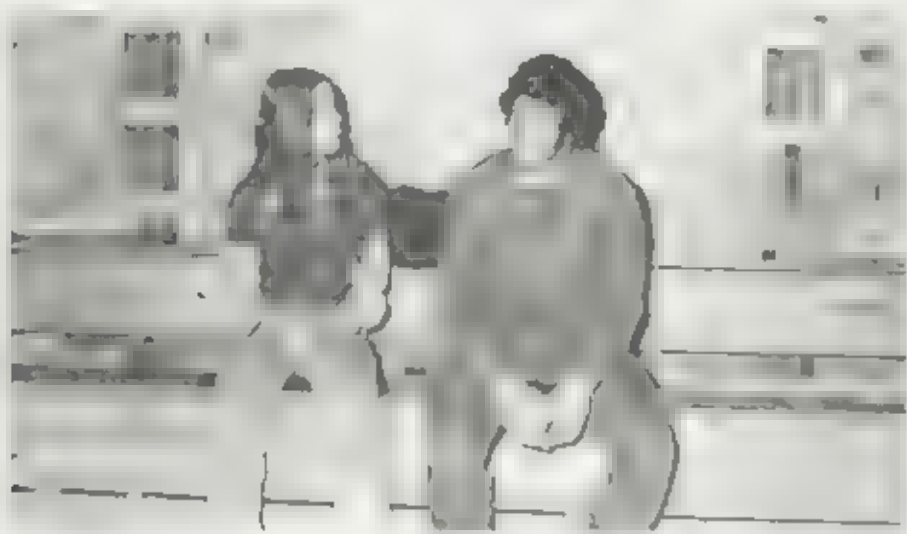

Death will not end the influence of Alverna Uher. Unborn generations will receive benefit from parents and grandparents who were lucky enough to have her for a teacher.

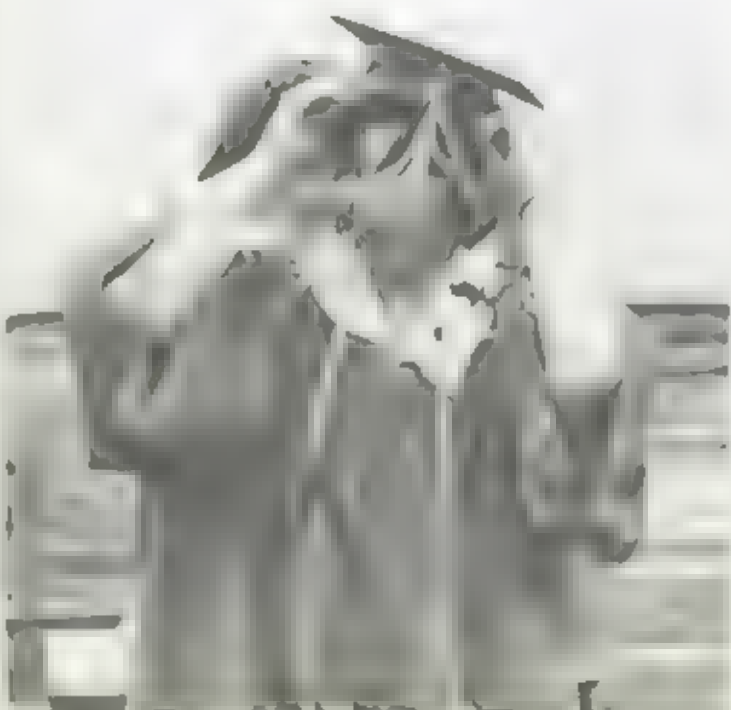

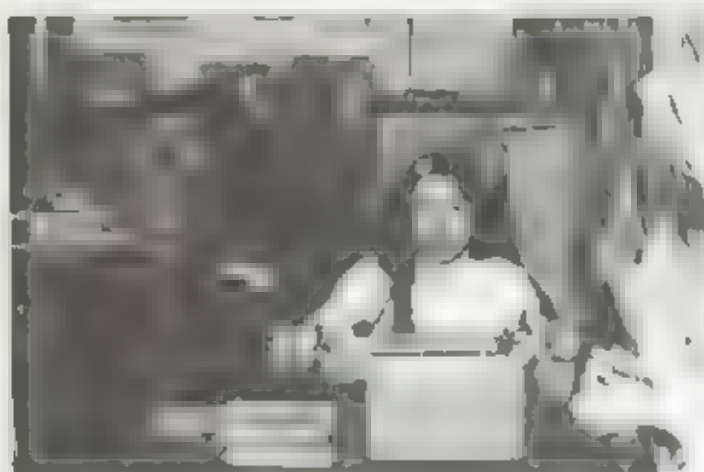

Time may erase sorrow, however those thousands who knew her will always have the great heritage which she has left us.

Baltic Elementary School*
